Dear Sir or Madam,

Since its formation this Headquarters has been responsible for providing welfare and benevolence to serving and retired soldiers, their families and dependants. Members of the Regiment are currently deployed on operations in Afghanistan and in many other countries around the world.

One way of raising funds for welfare and benevolence is to produce a Regimental diary for issue and sale to soldiers and civilians. The diary is produced on our behalf by The Regiment Support Service and is done by voluntary sponsorships from the public. In return for your sponsorship we will provide a Certificate of Appreciation from the Regiment and signed by the Commander Household Cavalry, Colonel WT Browne, LVO which we hope you will display with pride in your office or business. You will also receive your own complimentary copy of the Regimental Diary in December at the end of the year.

It is most reassuring for soldiers to know that they are supported by the general public through organisations such as yours and we would like to take this opportunity to thank you for your kindness and support.

If you have any queries regarding your sponsorship then please direct them to The Regiment Support Service on 0845 519 7081, or alternatively if your query is regarding the authenticity of this request then you can contact myself at this Headquarters on 01753 755132.

Yours Faithfully,

Maj (Retd) PF Stretton
